Odell Tiller does remember that his brother had a roommate named White, who also went to the Founding Church of Scientology while working as a printer for one of the Washington newspapers. Later, Odell Tiller furnished me with a home address of this roommate, Mr. Bill White, Route 3 (State Highway 88), Box 145, Hot Springs, Arkansas. Mr. Tiller believes that this is Mr. White's family address.

Mr. Tiller thought that another brother, Quince Tiller, 1102 Webb Street, Daingerfield, Texas (phone #214-645-2793), a principal at the local high school, might be able to provide additional information regarding Howard's activities since he believes that Quince visited Howard more often. Odell Tiller also mentioned that a sister, Mrs. Howard Zimmer, 915 Carpenter Avenue, Daingerfield, Texas may have additional information about Howard's association with the Founding Church of Scientology.

Odell Tiller noted that both and he and his brother, Quince Tiller, were responsible for his brother's final treatment at the Galveston Hospital, Galveston, Texas. He noted that his parents were somewhat bitter after the operation failed but that his parents probably could be interviewed if necessary at their home in Hooks, Texas.
